Happy Holidays from the NSSC Team!

Key dates

Competitive Sourcing Schedule:

- Proposals were submitted Nov 8, 2004
- Selection in early May 2005
- Award in late May 2005

- *SES open positions Dec 1 – 29, 2004*
Our website, <http://nssc.nasa.gov/index.html>, provides information on the open SES positions, vacancy announcements and application instructions (or go to nasajobs.nasa.gov or usajobs.opm.gov)

Remaining Center visits:

- Jan 11 Stennis
- Jan 19 Ames
- Jan 20 Dryden

Site selection:

- In January the Agency plans to announce sites selected by Offerors.

NSSC Training

Training will play a vital role in preparing Center staff for the transition of activities to NSSC, and it will serve as the foundation for launching and sustaining the NSSC.

A comprehensive training plan is currently being developed, and during the first week of January the Agency Transition Team will be meeting to discuss the details of the plan, review time-lines and agree on actions.

The key to developing a training plan that will meet the unique needs of the NSSC is collaboration. The plan will require significant input and involvement from the Agency and Center Transition Teams and members of Center Functional Teams. Stay tuned for more information on training early in 2005.
